

Delta Spinners Limited

Selected Explanatory Notes to the Financial Statements for the Period Ended on 31st December, 2016

1 Statement of Compliance

These Condensed Consolidated Financial Statements do not include all the information as required for full annual financial statements, and have been prepared in accordance with Bangladesh Financial Reporting Standards.

2 Accounting Policies

The Company has applied the same accounting policies and methods of computation for the interim financial statements as in the annual financial statements as of and for the year ended June 30, 2016.

- 3 The textile spinning factory of the Company was going through BMRE process for the last several months and many productive machinery had to be dismantled for the purpose. Hence there had been substantial production loss, consequent lower profit and lower EPS.
- 4 The Non-operating Income has reduced substantially due to decrease in the investment in FDR. The FDR fund was generated out of Rights Issue proceeds but is gradually being utilized for "BMRE" and "Expansion Through Product Diversification" purpose. Thus, while the Non-operating Income during Q2 of 2015-16 was Tk. 193.33 lacs, it has been Tk. 12.74 lacs during Q2 of 2016-17 because of gradual utilization of FDR for the above mentioned development work.
- 5 During the period, the Company has exported goods valued at about Tk. 12.61 crores.
- 6 Investments in the BMRE by the Company out of the Rights Issue Fund has been completed by the end of December, 2016.
- 7 Capital Work-in-Progress amount of Tk. 6208.72 lacs represents investments in the "Expansion Through Product Diversification" (100% Export Oriented Unit) of the Company out of the Rights Issue Fund.
